

## 4<sup>th</sup> ITF TRANSPORT STATISTICS MEETING

**Chaired by Ms. Patricia HU**  
**Director of the US Bureau of Transportation Statistics**

**14th-15th March 2017**

The meeting will be held at the OECD Headquarters (room CC13)  
2, rue André Pascal 75016 Paris, France  
Starting at 10:00 on 14<sup>th</sup> March  
Ending at 13:00 on 15<sup>th</sup> March

### Objective

The International Transport Forum has been dedicating resources to improve the quality and the coverage of transport statistics. The aim of the meeting is to better understand users' needs and improve transport statistics to better assess the role of the transport sector in the economy. The meeting is also an opportunity to maintain and develop regular contacts with a wide range of transport actors to share views, experiences and to join forces to develop efficiently international transport statistics.

### Expected outcomes

The goal of the meeting is to suggest common solutions to a series of issues relevant to transport statistics. The meeting will contribute to the development of a more consistent and efficient international framework for transport statistics, by promoting exchange between transport experts from different countries and suggesting solutions.

### Organisation and contact

The meeting will take place in Paris and will last for a day and a half. The meeting language is English.
