

## 7<sup>th</sup> ITF TRANSPORT STATISTICS MEETING

**Chaired by Ms. Patricia HU**  
**Director of the US Bureau of Transportation Statistics**

**21<sup>st</sup>-22<sup>nd</sup> October 2021**

The meeting will be virtual  
Using Zoom Links

**13:00 – 16:00 CET on both days**

### Objective

The International Transport Forum has been dedicating resources to improve the quality and the coverage of transport statistics. The aim of the meeting is to better understand users' needs and improve transport statistics to better assess the role of the transport sector in the economy. The meeting is also an opportunity to maintain and develop regular contacts with a wide range of transport actors to share views, experiences and to join forces to develop efficiently international transport statistics.

### Expected outcomes

The goal of the meeting is to suggest common solutions to a series of issues relevant to transport statistics. The meeting will contribute to the development of a more consistent and efficient international framework for transport statistics, by promoting exchange between transport experts from different countries and suggesting solutions. The ultimate outcome being to have better data for better policy making.
