

Article 17 of DCoM no. 15 of 7.4.2000

Road compensation tax

1. The amount of the compensation tax given to the road owner entity for its greater use from the passage of vehicles or abnormal transport, is calculated by the Ministry of Transport in cooperation with the Ministry of Finance.

2. The owner or concessionaire is entitled to request the performance of a special insurance policy or a bail contract, at the choice of the applicant for authorization, which guarantees possible damages that may be caused on the road or parts belonging to the road, as well as persons or objects depending on the transit of transport or abnormal means. At the moment of obtaining the authorization, his applicant is obliged to submit a copy of the insurance policy or the statement of the insurance company, or a copy of the delivery policy to guarantee possible damages.
