Corporate Partnership Board Week

Introduction

The Secretary General of the International Transport Forum, Young Tae Kim, invites CEOs of the ITF Corporate Partnership Board membership to 'CPB Week' to be held 8th and 9th September 2022, in Paris, France.

The aim of CPB Week is to allow CPB member leadership to forge connections with each other and engage directly in discussions around the work and activity of the CPB and the ITF more widely.

CEOs have the opportunity to participate in the 'Special Lecture Series' of the ITF's Secretary General, and have bilateral meetings with the Secretary General and other CEOs. Ambassadors to the OECD will be invited to some of these events.
