Att. Ms. Elene Shatberashvili**

**SUBJECT:** 2012 ECMT licenses issued MARCOTRAN TRANSPORTES INTERNACIONALES, SL by Spanish competent authorities

Mrs. Shatberashvili,

We would like to inform you that in ECTM licences nº 00032 to 00071, 00181 to 00262 and 00298 to 00305 issued to the Spanish company MARCOTRAN TRANSPORTES INTERNACIONALES, SL, have been filled in, by error, with the registered address of the company undertaking [Ctra. Nal. 232, Km. 271, 100 Pedrola (Zaragoza)]. However, in the vehicles documentation appears the commercial address of the company [Tarazona, 1, 50590 Añon (Zaragoza)]. This circumstance doesn't alter the validity of these licenses which were issued in accordance with law.

We would be thankful if you could inform the competent authorities of all ECMT member countries about this mistake and ask for their understanding during the checks.

Thank you in advance for your attention to this matter.

Sincerely yours
