

WHAT YOU NEED TO KNOW ABOUT THE ROAD USER CHARGE

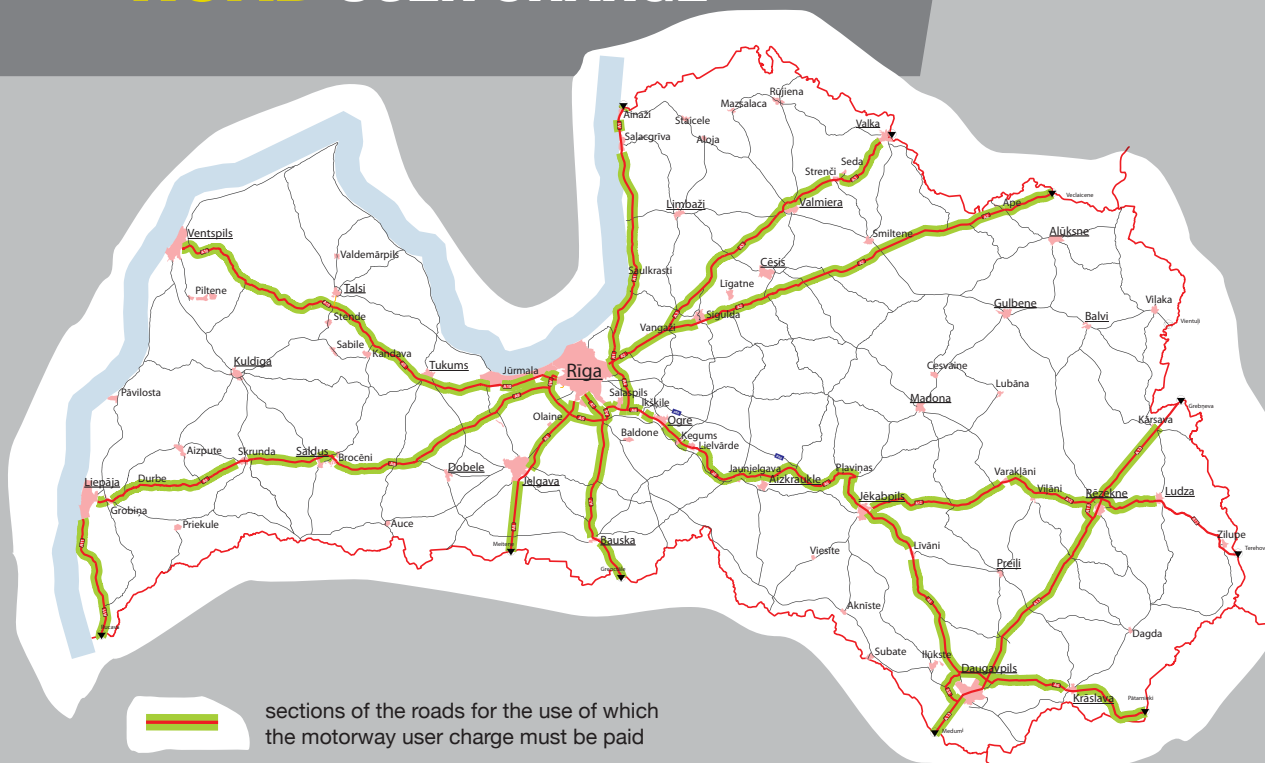

Road user charge (vignette):

payment for the use of the main roads in Latvia in order to facilitate maintenance and development of them, as well as the use of environmentally more friendly vehicles.

The charge is paid for the use of certain sections of the main state roads (except for crossing them, including on roundabouts) by road goods vehicles and combinations thereof, the maximum total laden weight of which exceeds 3,5 tons and which are intended or are used for the carriage of goods.

Information in the State Register of Vehicles and Drivers of Latvia is the proof of the payment of the charge. Payment of the charge is controlled by the State Police.
