NEW ARRANGEMENT INTRODUCED BY THE MINISTRY OF TRANSPORT OF TURKEY

NOUVELLE DISPOSITION INTRODUITE PAR LE MINISTERE DES TRANSPORTS DE LA TURQUIE

Permanent Delegation of Turkey brings the following urgent information to the attention of the International Transport Forum Secretariat and kindly requests the Secretariat to forward it to the ITF Member Countries:

The Ministry of Transport of the Republic of Turkey has introduced a new arrangement at the border posts of the Republic of Turkey for international road transport operations performed by vehicles composed of "tractors and trailers/semi-trailers".

According to the new arrangement, international transport vehicles with foreign license plates **which do not have ECMT licences** will be required to have license plates issued by the same country for both tractors and trailers/semi-trailers.

Thus, the vehicles whose tractors and trailers/semi-trailers are registered in two different countries and which have permits other than the ECMT licenses shall not be allowed to enter/exit through the border posts of the Republic of Turkey as of **01.09.2008**.

Yours sincerely,

Zafer ATEŞ
