provisions of the Charter of Quality

Date: 28.06.2017

Dear Ms. Shatberashvili,

First, let me express my deep conviction that the cooperation of the Ministry of Transport and Communications and the International Transport Forum will continue in the future at the same level that we expect to be improved in the future cooperation.

On this occasion, I address you in connection with the forthcoming meeting of the Sub-Group for Implementation of the Provisions of the Charter of Quality, to be held on 4 July 2017 in Paris. With my appointment as a Minister of Transport and Communications I was informed about the projects that have started or are scheduled to start in the forthcoming period. In this regard, I was informed that there will be upcoming changes to the national legislation in order to fully harmonise our legislation with the provisions of the Charter of Quality.

I would like to assure you that the expert group of the Ministry of Transport and Communications has already undertaken all actions required to start the necessary procedures for amending the legislation. We expect that by
