Re.: Compliance Statement/Latvia

Dear Secretary General,

We declare herewith that the Republic of Latvia is compliant with the requirements of the Quality Charter for international road haulage operations undertaken under the ECMT Multilateral Quota.

Compliance with the Quality Charter is achieved through the European Union Regulations and implementation of the appropriate European Union Directives. The key international legal instruments are Regulation No 1071/2009, Regulation No 1072/2009, Regulation No 561/2006, Regulation No 165/2014, Directive 2002/15, Directive 2006/22 and Directive 2003/59.

The EU Regulations are supported by national legal acts, especially, Law on Carriage by Road, Road Traffic Law, Labour Law, Latvian Administrative Violations Code and a number of secondary legal acts issued by the Cabinet of Ministers of Latvia.

Under the framework of the above mentioned legal acts the Road Transport Administration of Latvia manages the ECMT permit allocations and ensures that undertakings seeking permits meet all the requirements of the Quality Charter prior to issuing of them.

The Report submitted with this Statement of Compliance details the laws and/or administrative processes adhered to ensure that the provisions of the Charter are met by Latvian holders of the ECMT licences. The ECMT permits are only issued to an operator having a Community licence for the international carriage of goods by road for hire or reward.

Enclosure: Report on implementation of Quality Charter for international road haulage operations under the ECMT multilateral quota by Latvia on 15 pages.

Yours sincerely,

Kaspars Ozoliņš  
State Secretary
